Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the proposed TRIP Hageman Flyover Project in Bakersfield, California in Fiscal Year 2027. The entity to receive funding for this project is the City of Bakersfield, located at 1600 Truxtun Avenue, Bakersfield, California 93301.

This funding would be used to complete preliminary design and engineering for the TRIP Hageman Flyover Project, which would extend Hageman Road and construct critical infrastructure improvements to establish a new east-west corridor in North Bakersfield. The project is an appropriate use of taxpayer funds because it addresses a long-standing connectivity gap and reduces congestion on overburdened corridors.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG
Member of Congress
