Dear Chairman Cole and Ranking Member DeLauro:

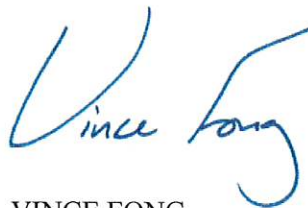

I am requesting funding for the City of Lemoore AMI Meters project in Fiscal Year 2026. The entity to receive funding for this project is the City of Lemoore, located at 711 West Cinnamon Drive, Lemoore, CA 93245.

To increase water conservation efforts, this project would implement advanced metering infrastructure (AMI) smart meters throughout the City of Lemoore.

This project is a good use of taxpayer funds because it provides more stability and certainty for the community's water supply. The project has a federal nexus because the funding provided is for purposes authorized by the Clean Water Act, 33 U.S.C 1381 et seq. Drinking Water Projects.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Vince Fong". The signature is stylized with a large, sweeping "V" and a long, horizontal stroke for the "Fong" part.
