Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Tulare's Police Dispatch Expansion Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Tulare, located at 411 East Kern, Tulare, California 93274.

To improve the response time of the Tulare Police Department, the Tulare Police Department would use this funding to expand its dispatch system. By including funding to expand the Tulare Police Department's dispatch system, the effectiveness and efficiency of the Tulare Police Department would be improved, helping to strengthen the safety of area residents and law enforcement officers. The project is an appropriate use of taxpayer funds because this will help improve public safety.

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10381(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG  
Member of Congress
