Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the proposed F-35 Aircraft Maintenance Hangar Addition at Naval Air Station (NAS) Lemoore in Fiscal Year 2027. The entity to receive funding for this project is NAS Lemoore, located at 700 Avenger Avenue, Lemoore, California 93246.

This funding would be used to complete the design work needed for the proposed F-35 Aircraft Maintenance Hangar Addition at NAS Lemoore, advancing a project that would strengthen base operations, training, and maintenance capacity at the nation's largest Master Jet Base. The project is an appropriate use of taxpayer funds because it would support planning and design for a new F-35 Aircraft Maintenance Hangar Addition at NAS Lemoore, a critical military installation for our nation's security.

The project has a federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG  
Member of Congress
