Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Nees Avenue Street Improvements – Clovis Avenue to Sunnyside Avenue in fiscal year 2025. The entity to receive funding for this project is the City of Clovis, located at 1033 Fifth Street, Clovis, California 93612.

The funding would be used for roadway improvements on Nees Avenue. The project is an appropriate use of taxpayer funds because this project would improve safety and the flow of traffic.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG  
Member of Congress
