Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Central Valley Health Clinic Enhancement Project in Fiscal Year 2027. The entity to receive funding for this project is Omni Family Health, located at 4900 California Avenue, Suite 400B, Bakersfield, California 93309.

This funding would be used to renovate their new clinic, located at 9900 Stockdale Highway, Suite 205, Bakersfield, California 93311, and purchase medical equipment. This includes the development and outfitting of new exam rooms to expand service capacity. The project is an appropriate use of taxpayer funds because it increases access to affordable health care.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG  
Member of Congress
