Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding to construct a roundabout and ancillary facilities in fiscal year 2025. The entity to receive funding for this project is the Kern Council of Governments, located at 1401 19th Street, Suite 300, Bakersfield, California 93301.

The funding would be used to upgrade a four way stop with a roundabout at State Route 43 and 7th Standard Road. The project is an appropriate use of taxpayer funds because of the improvements to safety and flow of traffic.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Vince Fong
