Dear Chairman Cole and Ranking Member DeLauro:

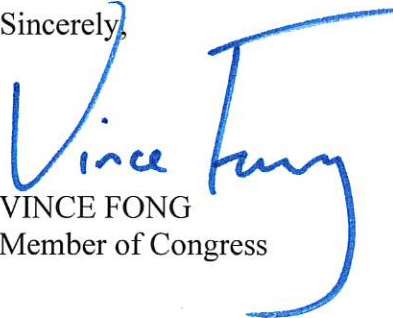

I am requesting funding for the Spruce Road Safety Improvement and Congestion Relief Project in fiscal year 2025. The entity to receive funding for this project is Tulare County, located at 5961 South Money Boulevard, Visalia, California, 93277.

The funding would be used for installing a traffic system at the intersection of Avenue 256 and Road 204 in Tulare County. The project is an appropriate use of taxpayer funds because of the improvements to safety and traffic flow.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Vince Fong
