Dear Chairman Cole and Ranking Member DeLauro:

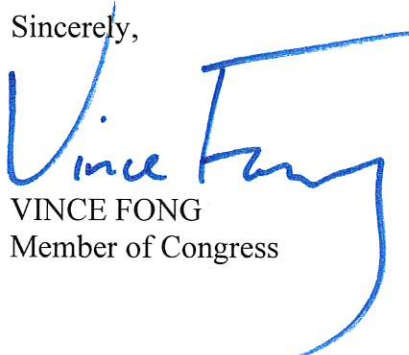

I am requesting funding for the Sunnyside and Nees Traffic Signal in fiscal year 2025. The entity to receive funding for this project is the City of Clovis, located at 1033 Fifth Street, Clovis, California 93612.

The funding would be used for the design and construction of traffic signals at the intersection of Sunnyside Avenue and Nees Avenue. The project is an appropriate use of taxpayer funds because this will help improve safety and reduce traffic congestion.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG
Member of Congress
