Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Tulare Avenue Safety Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Visalia, located at 707 West Acequia Avenue, Visalia, California 93291.

The funding would be used for roadway and safety improvements on Tulare Avenue from Cotta Street to Roeben Street. The project is an appropriate use of taxpayer funds because of the increased mobility and safety improvements that are generated from this investment.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

VINCE FONG
Member of Congress
